
Clarifications on The Rapid Re-housing/Families (Mercer Housing Now II) Section Only (which is included in the RFP from the County of Mercer, Department of Human Services Office on Homeless Services, for System Monitor Services, Rapid Re-Housing Services, Housing First Services and Liaison/Case Management Services)

This Rapid Re-housing Services program which the county is seeking a provider for is supporting a Federal Pilot Program. These services support NON-TANF Families. Below are some key points:

- **The Level of Service: The Housing Now II program must serve no less than twenty-four (24) families within the year.**
- **Under Screening for Low and Moderate Barriers: The Service Provider (not MCBOS) will have the responsibility for screening for Housing Now II.**
